

# TRAINING AND EQUIPPING FOR CHRISTIAN MINISTRY IN THE 21ST CENTURY

**FOR** Those who wish to be trained and equipped for 'works of service' (Ephesians 4:12) but who are unable to attend a Bible College full-time;  
**OR,** those already serving 'in ministry' who want to further explore prophetic ministry with an apostolic revival anointing.

## The Church

The church is moving into an era when there will be an authentic release of the 'saints' to be Christ's body in the world. The differentiation between what we know as full-time ministry and congregation will diminish.

***This requires training!***

## Our Goal

Our goal is to equip you to be effective in the work of service God has called you to. We aim to do this by establishing your Christian life in kingdom principles, building up your faith according to God's word, discipling you in the truth of what Christ has done and teaching you the (whole) word of God in the power and freedom of the Holy Spirit.

This course is optionally one or two years. Attendance is on Friday's between 10 am-4 pm at New Hope Christian Centre, Martineau Lane, Norwich, and one Saturday per month. You will also be asked to meet in a The Way of the Spirit group once per week outside these times. The cost is **£150 per term**, payable in advance or weekly by arrangement. Certain materials will need to be purchased, these are relatively inexpensive and will be available through the school administrator. **ENTRY REQUIREMENTS: AGREEMENT OF YOUR PASTOR/MINISTER and THE CALL OF GOD TO TRAIN.** No formal educational qualifications required. You will be required to attend an interview prior to enrolment.

**COURSE STAFF: Richard and Sarah George, Jill Gower, Sandie Hammond, Penny Jones and others locally and from around the UK.**
